## 1 Introduction

Foreign students having completed at least an undergraduate degree in a tertiary education institution in Mauritius are eligible to apply for a Young Professional Occupation Permit (YPOP) as provided in Section 13 of the Economic Development Board Act 2017 and Section 9A of the Immigration Act 1970.

The YPOP is an Occupation Permit valid for a maximum period of 3 years depending on the duration of the contract of employment. The application for the YPOP shall be submitted by the Employer to the Occupation Permit Unit (OPU) by email on [op@edbmauritius.org](mailto:op@edbmauritius.org).

If an employer still requires the service of the foreign employee after the 3 years, the employer may apply for an Occupation Permit as Professional on behalf of the employee.

## 2 Eligibility criteria

The following criteria must be respected to be eligible for a YPOP:

- (a) The student must have completed at least an undergraduate degree in a tertiary education institution recognized by the Tertiary Education Commission (TEC).
- (b) The application must be submitted not later than 6 months after the date of publication of results.
- (c) Where a person holds a YPOP and intends to change employment before the expiry of the YPOP, the condition at (b) shall not apply.
- (d) The application for the YPOP must be only in the fields listed in Part II of the Schedule of the Immigration Act which are as follows:
  - (i) Artificial Intelligence
  - (ii) Biotechnology
  - (iii) Fintech
  - (iv) Robotics
  - (v) Financial services
  - (vi) Information technology

### 3 Application process

- (a) A scanned copy of the application form ( See Annex 1) together with the supporting documents as per checklist shall be submitted by the Employer to the Occupation Permit Unit (OPU) by email on [op@edbmauritius.org](mailto:op@edbmauritius.org).
- (b) The OPU, comprising both the officers of the Passport and Immigration Office (PIO) and the Economic Development Board (EDB), will verify the application. In case of missing documents or where additional information is required, a request for clarification will be made to Employer.
- (c) Once the application is complete as per checklist, it will be processed and evaluated by a Joint Committee and submitted for approval to the Prime Minister's Office, not later than 5 days from the effective date.

Note: The date of receipt of the complete application shall be the effective date.

- (d) Once approved, an Approval in Principle will be issued and submitted to the Employer by email. The Approval in Principle will be valid for a period of 90 days from the date of issue subject to the existing visa requirements.

Note: It is advisable that Employers contact the OPU to schedule the appointment well before the expiry of the Approval in Principle. An Approval in Principle will automatically lapse after the 90 days and no permit will be issued after that period.

- (e) The Employer shall, within the 90 days period, schedule an appointment with the OPU for verification of original documents and issue of the permit.
- (f) During the appointment,
  - (i) both Employer and the Young Professional must be present;
  - (ii) the Applicant shall bring the **original** of all documents listed in the checklist
  - (iii) payment of application fees corresponding to the amount provided at section 7 shall be effected by Bank Cheque drawn to the order of the Government of Mauritius.

(g) Once the original documents and the application are in order, the EDB will register the Young Professional. The Occupation Permit and the Unique Identification (UID) card will be issued by the PIO on the same day.

## 4 Appeals

In case an application has not been approved, the Employer will be informed by email. He/ She may make a request to the OPU to reconsider the application once. Such request should be made by email on [op@edbmauritius.org](mailto:op@edbmauritius.org) within a period of 30 days of being notified that the application has not been approved.

Note: In case that the appeal has not been successful, the applicant should make arrangements to leave the country.

## 5 Cancellation of the YPOP

If at any time, the Employer terminates the contract of employment of the Young Professional, the Employer should immediately inform in writing the Chief Executive Officer of the Economic Development Board for deregistration.

Subsequently, the PIO would be notified to cancel the YPOP. The originals of the Occupation Permit and UID Card should be returned to the Passport and Immigration Office and the Young Professional shall leave the country within a period of one month as from cancellation of the Permit.
